- Using the Temperature Color Key, shade the oceans with their corresponding colors.
- Connect regions in the same temperature range and be sure to use your colors all the way to the borders of the land.
- Label the 7 continents and the 4 major oceans.
- What worldwide patterns do you see?
- How do the temperature patterns of the ocean compare to the temperature patterns of land?
- Do you think that oceans affect the climate of the land? Why or why not?
