

## Paramecium Parlor

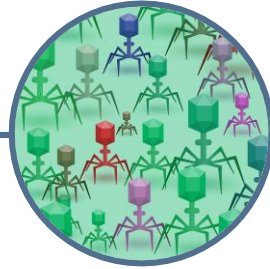

Billy the bacterium had to quickly consider the etiquette for declining a bacteriophage's valentine.

## Bacteria

Don't forget there are  
good and bad  
bacteria out there!

## Phages

Viruses that kill  
bacteria so what if we  
could use them?

**What are your  
thoughts on the arms  
race between phages  
and bacteria?**

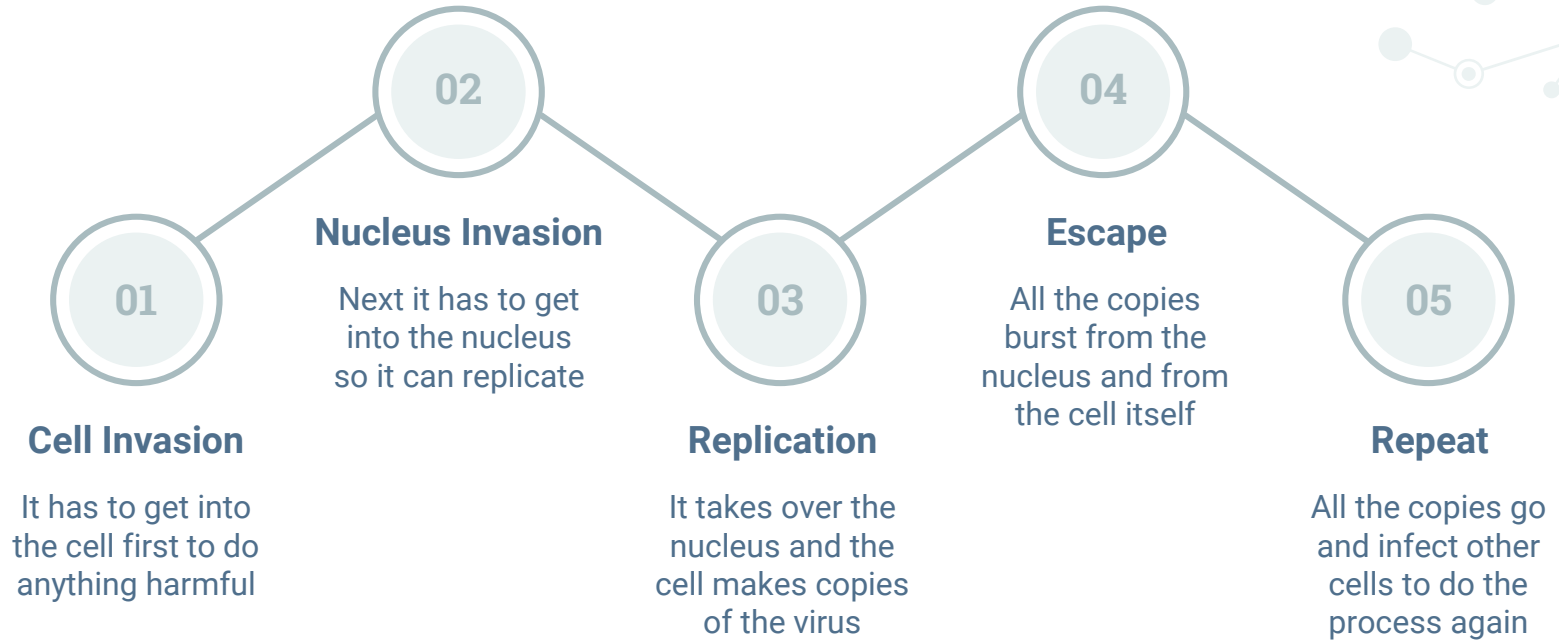

**We have all been sick  
before, but what  
REALLY happens  
during that time?**

# Virus Infection Timeline

WANTED

Okay...don't panic,  
but I *think* a vaccine  
has been here.
