

Name: _____ Date: _____ Period: _____

Ocean Webquest

Click on the link [What is an Oceanographer?](#) and read through the description. Write down a definition, in your own words, of an oceanographer and what they do.

Still on that site, read through the descriptions of the disciplines of oceanography and pick one. Describe what that type of oceanographer does in your own words below.

Now click on [Tools of Oceanographers](#) and click on the Sonar link. Read through the description of sonar and then describe how sonar works below, being sure to use your own words.

Pick another tool and read through the description. Write how this tool helps oceanographers understand the ocean better below. Be prepared to share your answers with your classmates.
