

Name: _____ Date: _____ Period: _____

The Water Cycle

Draw what you know about the water cycle below.

Label your water cycle with as many vocabulary words below as possible.

- Evaporation
- Condensation
- Precipitation
- Infiltration
- Transpiration
- Surface runoff
- Aquifer
- Snowpack
- Permeable layer
- Impermeable layer
- Effluent water

Using computers, get into groups and research the words above that you do not know and then write the definitions below for words you do not know.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Using the entire back of this paper, create a water cycle using all of the vocabulary words.
