

Biomimicry Project

Shark Tank Version

Insert a picture of your final design below.

(Click Insert, then hover over Image, and click on Camera to take and insert a picture on this slide)

(For digital products: Copy the link below or take a screenshot and paste it below)

Answer the following questions below (or delete the questions and insert a video of you doing your pitch)

1. How does your product work?
2. How is your product based on nature?
3. Who is your product designed for?
4. How will your product help humans?
5. Why should I invest in your product?
