What about GATE science?

- GATE: Gifted and Talented Education
- More in-depth not more busy work
- Higher level reading passages
- Extensions on content
- More critical thinking and problem solving situations

How will students be graded?

80% Assessments

- Tests / quizzes
- Projects / labs

20% Practice

- Class work
- Participation
- Homework

The screenshot shows the Kyrene School District website. The header includes the district logo, contact information, and an 'ENROLL NOW' button. The main navigation bar lists various categories like Home, About Kyrene, Leadership, News, Schools, Departments, Programs & Services, Parents, Students, Employees, and Community. Below the navigation bar, there are three main content areas: 'We Are Kyrene, Always', 'Summer & Fall Program Registration', and 'Now Enrolling for Preschool'. At the bottom, there is a utility bar with icons for Calendar, ParentVue, Careers, Choose Kyrene, Governing Board, Student Resources, Superintendent, and Contact Kyrene. A red arrow points to the ParentVue icon.

Grades are updated in real time and can be checked 24/7 with ParentVue

I do accept late work up to a week before the quarter ends.

However, points will be taken off for work turned in late so turn stuff in on time if possible!

Late Work
Policy

If your student is absent, it will be their job to go to Google Classroom and catch up on what they missed.
